WELCOME TO LINGO LANE

Learn the language inside a story.

This book follows the same world as the interactive Lingo Lane course. Instead of memorizing disconnected words, you meet recurring characters in places you can imagine: a café, a market, a station and a hotel.

Each lesson gives you six useful phrases, a short conversation, one sentence-building challenge and one fill-in-the-blank review.

For the best result, read the Spanish aloud. The goal is not perfect speed. The goal is to make the phrase feel familiar enough that you can use it.

A simple four-step rhythm

1. **See it**
   Look at the scene and understand the situation.
2. **Hear it**
   Use the online course when you want audio and slow playback.
3. **Build it**
   Reorder the key sentence so the structure becomes familiar.
4. **Say it**
   Read the line aloud and imagine answering the character.

THE RECURRING CAST

Familiar faces. New situations.

The characters return throughout the course so each lesson feels like another chapter.
